

LHB Series

High Bay Series

Linear High Bay

APPLICATIONS:

- NSF Certified Food Processing (Splash Zone, Food Zone)
- Industrial & Commercial
- Sports & Recreation
- Warehouse

FEATURES:

- Up to 140 lm/W
- Optional motion/daylight sensor
- NSF Food Zone and Splash Zone
- Smooth surface for easy cleaning
- IP69
- IK10 Impact Rating
- 3G Vibration Test Rating
- 5-Year Limited Warranty (10-Year Optional)

SPECIFICATIONS

HOUSING:

Crafted from marine-grade, low-copper, high-pressure die-cast aluminum, anodized with precise machining ensures a flawless luminaire with exceptional resistance to corrosion and durable even in harsh environments. Designed and tested to withstand substantial impact and vibration without compromising function or finish.

FINISH:

The die cast housing is cleaned, anodized, and then goes through a 7-stage wash cycle. The part is degassed before being coated with a UV-resistant, super durable poly for a 5,000-hour salt spray rating.

LENS:

UV stabilized, Clear polycarbonate

OUTPUT:

This luminaire is designed for standard downlighting with a 90° viewing angle. The luminaire has an optional occupancy sensor or daylight harvesting sensor to further enhance energy efficiency and user convenience.

TESTING & RATINGS:

ETL Listed

NSF Certified

IP69, suitable for cleaning high-pressure water jets

IK10, 3G vibration rating

Operating Temperature: -40°C to 50°C (-40°F to 122°F)

ELECTRICAL:

Standard Voltage universal 120 – 277 VAC

Power consumption 100W/150W/200W selectable

0-10V dimming standard

Optional motion/daylight sensor

CCT options 3500K, 4000K, 5000K selectable

MOUNTING OPTIONS:

Suspended Chain or Surface Mount

WARRANTY:

5-Year Limited, Optional 10-Year Limited (consult factory)
